New Business from the floor: Virginia Elsen brought up the issue of right-of-way clearing, road with and notification of the land owners. She had issues with her road being cleared and the trees that were to be cut. Motion by Virginia Elsen that when the town is going to do right-of-way clearing, all potentially affected land owners will receive a letter with their tax bill stating the footage that will be cleared and asking the land owner what they would like done with the wood cut. If the land owner chooses to keep the wood, they need to notify the town if they would like it block up or cut to a specific length and they will have 30 days to clean up the wood or the town will do this. Motion second by Tom Biver. Scott Corbin amended the motion to add that this will also be posted on the town website, second by Tom Biver. Motion Carried on the amendment. Motion Carried with Steve Sutter voting no on the original motion.

Tom Biver asked what the town is using their Covid/ARPA money for. Chair Kessler stated that we will be using this for the new town truck, if possible, otherwise road work.

Scott Corbin commented on the website and things he would like to see updated and volunteer to help with the website if needed.

Motion by Tom Biver, second by Char Hedlund, to adjourn the annual meeting. Motion Carried
