Clerk Kessler reported that the clean up costs have been submitted to the county for reimbursement, the Badger Books are ordered for elections, the Dock Lake Rd project paperwork has been submitted to the Chair. Attended a County Clerk's meeting where the election inspector wages were discussed and we are low compared to other townships in the County. The Memorandum of Understanding for elections with the county will change for 2022 as with the Badger Books, we won't be relying on the County for anything so this will save \$750 a year.
